

Join our mission: Become a Scarborough Good Neighbour

About Good Neighbours Drop-In Scarborough

Good Neighbours Drop-In is a mission providing social services for neighbourhood residents of Scarborough.

We believe that everyone brings unique value to the community, and we seek to empower each individual for common good. There is beauty and goodness at the heart of each person, and everyone is worthy of unconditional respect.

Our purpose, therefore, is to create an inclusive space for everyone in and around the Scarborough community region.

We welcome anyone, regardless of religion, social status or ethnic background, and look forward to building a place for personal and community growth.

We provide social services for parents, youth and seniors, and our multilingual staff is available seven days a week.

Established in 2016, we are an affiliate of St. John The Compassionate Mission in Toronto's downtown core and part of the Apostolate of the Carpatho-Russian Orthodox Diocese.
